Mayor Pro tem Ten requested that an item be added to a future agenda to review and clarify the City policy on use of City letterhead. There is confusion on this, he said, in

Councilmember Sifuentes noted that he was wearing denim in honor of "Denim Day," a day to raise awareness and educate the public about rape and sexual assault. He said the same official, John Fasana, is attempting to fast-track the 710 tunnel. Councilmember Putnam proposed that the City prepare letters to the City Councils of the cities of Azusa and Duarte commending Duarte for its environmental stance, pointing out the impact a 710 freeway would have on the City of South Pasadena and surrounding communities, and urging Mr. Fasana and others on the Duarte City Council to consider changing their position on the 710 freeway given their new environmental concerns. He said similar letters should be sent to the other cities in the San Gabriel Valley. This was seconded by Mayor Schneider.

Mayor Schneider said speakers were in the audience for Item #17, Gold Link. Without objection, he said this item would be taken following the Consent Calendar.
