LOS ANGELES POLICE DEPARTMENT
OFFICIAL PUBLICATION OF THE NORTHEAST AREA CRIME ANALYSIS DETAIL

Grand Theft Open House – Real Estate

Northeast Area Community is being alerted of Grand Thefts occurring during “Open Houses” hosted by real estate agents.

There have been two reported incidents of Grand Theft in the East Hollywood and the Silver Lake area. In both incidents, the home owner’s personal property was taken by visitors of the “Open House.”

To secure the safety of the home owners’ property the following steps are recommended:

- Home Owners should secure all valuables before allowing visitors to view the house.
- Real Estate Agents should keep a sign in sheet to keep a record of people who are in the home.
- Real Estate Agents should walk around the home during the open house and ask visitors if they have any questions. Knowing that someone might walk in can act as a deterrent.
