RECYCLING FACILITY

THE SAN GABRIEL VALLEY'S ONLY MATERIALS RECOVERY FACILITY AND TRANSFER STATION

Trash collected is unloaded onto the Tipping floor and moved with heavy

equipment onto the Walking Floors toward the processing equipment

where employees and machines will sort out the recyclables.

Once sorted, recyclable materials are moved

to the massive baler, where they are prepared

for shipment to foreign and domestic markets.

Free tours of the facility are available for South Pasadena residents, businesses, and groups, such as schools or civic organizations. Please call (626) 934-4664 to make an appointment.
